*At the Busy Bee, we strive to use as many local ingredients as possible and to have as many of our items made from scratch in our kitchen as we can. We utilize fresh local meats from Hickory Hill Meat Processing and Witten Farms. Our farm fresh eggs come from the Rauch Farm in Waterford. We utilize fresh fruit and produce, when in season, from numerous local farmers including Worthington Produce, Stacy's Strawberry Farm and Lane's Farm Market. Scratch cooking is more difficult and often results in slight variances in taste from time to time. However, we do our best to provide the highest quality food in the valley, to make our meals as consistent as possible and to give our customers the best dining experience we can.*

*Thank you for dining with us!*
